

THE CONVENT OATH

(For Guardians and Ambassadors — sacred fellowship and divine duty)

I, [Name],
a Divine Being awakened in truth and guided by conscience,
do enter into the sacred **Convent of the Nation of Gods**,
by my free will, pure intent, and divine remembrance.

I pledge to walk in unity with my brothers and sisters of light,
upholding the principles of **Wisdom, Peace, Joy, Conscious Living, Freedom,
Empowerment, and Self-Realization**.

I vow to live by **Covenant, Conscience, and Natural Law**,
to serve as a **Guardian of the Convent**,
protecting the sanctity, honour, and peace of our Nation.

I commit to the spiritual growth of all beings,
to the sharing of divine knowledge,
and to the remembrance that we are one in essence —
many expressions, one Source.

Through this sacred bond,
I unite with all Divine Beings in fellowship, service, and truth.

I stand as light among lights,
a vessel of divine wisdom,
and an instrument of peace.

**So let it be, now and always,
in harmony with Divine Will and the Covenant of Truth.**
